**U. S. *DISTRICT* COURT**

**IN THE NORTHERN DISTRICT OF ALABAMA**

---

Case Management/Electronic Case Files (CM/ECF) - the new automated case management and electronic docketing is being implemented in the U.S. District Court for the Northern District of Alabama now. **The court expects attorneys to electronically file documents by January 2005. You will begin to receive electronic notification of orders November 15, 2004.** Effective November 15, 2004 the court requests that counsel attach to all paper filings a disc containing a PDF image of each document. CM/ECF will provide a new, easy-to-use electronic case filing system that will allow filing and viewing of court documents over the Internet.
