NOTICE TO PRO-SE NON-PRISONER PARTIES REPRESENTING THEMSELVES

The United States District Court would like to encourage pro se parties to take advantage of receiving <u>immediate</u> notice of public documents filed in their cases. Notices of electronic filing (NEF) and attached documents for attorney, pro se and court entries would be transmitted electronically to a non-prisoner pro se party who selects this option. Note: The pro se party would continue to file their documents with the Clerk's Office in paper form.

Parties who are entitled to documents as part of their legal proceedings receive **one** (1) free copy by email. You may save or print this document the **first** time you view it.

Parties who wish to receive filed documents electronically must have the following:

- Personal computer running a standard platform such as Windows or Mac OSX
- Internet access (high speed is recommended)
- A Web browser (Microsoft Internet Explorer 7.0 or 6.0 or Mozilla Firefox 2 or 1.5)
- Adobe Acrobat Reader is needed for viewing e-filed documents

To request notices of filing electronically, a completed Request by Non-Prisoner Pro Se Party for Electronic Noticing form must be submitted to the Clerk's Office.

IMPORTANT:

Messages sent to Yahoo or AOL accounts are frequently found in the spam folder until the court is added to your address book.

You will received one "free" look of the document. This free look must be viewed within 14 days. You must only single-click the hyperlink; double-clicking will lose the free look. You will have to obtain a copy through PACER and may be charged for the copy. Please visit http://www.pacer.gov for billing details.

As with your mailing address, you must file a notice if your email address changes to ensure your noticing is not interrupted. A docket entry detailing undeliverable emails will be entered to the case.
