ORDER

Before the court is the Government's notice regarding the filing of out of time motions and brief, filed April 2, 2004. In it the Government notes that a motion filed by the defense challenging the death penalty in this case was filed on March 31, 2004, and that another is predicted to be filed by April 9, 2004, and that both of these motions are well past the March 1, 2004, deadline set previously in the court's scheduling order. The Government seeks an extension of time in which to respond to the motions so that a single response to all three can be filed, rather than piecemeal responses.

The Government's motion is GRANTED, and the time for the Government to respond to motions challenging the legality or constitutionality of the death penalty as applied in this case is extended to April 23, 2004.

The Clerk is DIRECTED to forward a copy of the foregoing to all counsel of record.

DONE this the 2nd day of April, 2004.

UNITED STATES MAGISTRATE JUDGE
