

In September 2002, the Judicial Conference of the United States approved a recommendation of its Committee on Judicial Resources to expand the use of background checks and investigations in the federal courts and federal public defender organizations ([1.JCUS- SEP02 pp. 52-53](#)).

All individuals appointed to sensitive positions in the courts, and new contractors and volunteers in similar positions are required to undergo an FBI fingerprint check.

The following personal data is necessary to prepare the fingerprint card. Please attach a copy of your driver's license to this page and return to Louise Myers, Clerk's Office, U. S. District Court, tel. #205/278-1702 or ext. 107. The completed card will be returned to you and the fingerprinting will be done by the U.S. Marshal's Office on the second floor.
